

GENERAL WARRANTY TYPES

Sealoflex offers 3 general categories of warranties:

1. Limited Warranty (applies to all products; no warranty request form needed)
2. Material Only Warranty (see General Information below)
3. Labor and Material Warranty (see General Information below)

This document provides a brief description of each of these type warranties. Detailed information as well as pricing for each of the warranty categories is available from Sealoflex.

LEVEL 1:

LIMITED WARRANTY: Sealoflex warrants its products to be free of manufacturing defects and that they will meet the current Sealoflex published physical properties when applied in accordance with Sealoflex directions. There are no other warranties by Sealoflex of any nature whatsoever, expressed or implied, including any warranty of merchantability of fitness for a particular purpose in connection with this product. Sealoflex, Inc. shall not be liable for damages of any sort, including remote or consequential damages, resulting from any claimed breach of any warranty whether expressed or implied, including any warranty of merchantability of fitness for a particular purpose or from any other cause whatsoever.

LEVELS 2 (MATERIAL ONLY and 3 (LABOR AND MATERIAL*)) :

GENERAL INFORMATION

1. Only certified applicators** can request these warranties. (To be "certified", the applicator must have attended Sealoflex Training within the past two years and be in good standing with Sealoflex.)
2. The current Sealoflex Warranty Request Form (available from Sealoflex) must be completed and submitted to Sealoflex within 30 days of project completion. In addition to all information on the form, the following is needed:
 - a. Certified Sealoflex applicator and Sealoflex Representative (for Labor and Material warranties) must sign warranty request form.
 - b. Progress photos must be submitted with all warranty requests. This includes before, during and after project completion.
 - c. Payment for Labor and Material Warranties must accompany warranty request form. (Material Only warranties are issued at No Charge.)
 - d. Verification of payment (invoice from distributor) for all Sealoflex material must accompany warranty request form.
3. Warranty request forms not completed in their entirety (all information, signatures, etc.) will be returned to the requestor with no warranty in effect.
4. All applications for which warranties are requested MUST comply with ALL Sealoflex specifications for application.
5. All issued warranties must be signed and returned to Sealoflex by project owner within 30 days of issuance.

WARRANTY RENEWAL

Material and Labor Warranties or Material Only Warranties can be renewed at increments matching the original warranty term not to exceed 10 years. (The cost is ½ the prevailing warranty rate.) The procedure is as follows:

1. Inspect roof and make any and all necessary repairs.
2. Clean and prepare existing roofing and flashing to properly receive 2 new Sealoflex reflective layers of same type as original system.
3. Call Sealoflex to schedule inspection by Sealoflex Technical Department; submit warranty renewal request.

* Labor and Material Warranties are issued on Commercial and Industrial Projects only; no residential.

**Non-certified applicators can have a specific project approved for a warranty provided Sealoflex is notified prior to the beginning of the project and:

1. They arrange for Sealoflex on-site training at the beginning of the project;
2. They provide photo documentation at designated stages;
3. They have the local Sealoflex representative inspect the project at specific intervals; and
4. They are scheduled to attend the next available Sealoflex Training class.
